

Special Opportunity For Children and Adults Who Stutter

**National Stuttering Association Annual Conference
Worthington Renaissance
Fort Worth, Texas - July 6 -10, 2011**

The National Stuttering Association's annual conference – the largest gathering in the world of people who stutter and the speech-language pathologists who work with them.

Youth Program (ages 7-19)

Three and a half days of activities beginning Wednesday including Family Orientation and workshops specifically designed for younger kids, tweens, teenagers and siblings. Each age bracket involves all sorts of challenges which peers and experts can address together. Environments are fun, safe, non-threatening and a great experience!

Twenty Somethings

NEW focus for 2011, making the transition from teen to adult involves all sorts of new challenges. We now offer workshops and activities planned specifically for our “Twenty Somethings” and their parents.

Adult Workshops

There will be over 50 workshop series for adults, parents, youth and spouses/significant others starting on Wednesday at 1:00 pm.

Continuing Education Units

SLPs can now earn up to 1.6 CEUs for attending the entire conference. Additionally, we will feature a CEU-specific seminar that highlights successful treatment strategies, to be presented by a nationally recognized expert in stuttering therapy

Scholarships Available

Need help getting to the conference this year? Due to the generosity of corporate sponsors and many of our members, scholarships are available to provide financial assistance for adults/families who would like to attend our annual conference. If you would like more information, email Tammy at tflores@WeStutter.org. Speech therapists are also asked to email us to help identify families who would benefit from this assistance.
